SIRA stands for Security Industry Regulatory Agency, a government body in Dubai, which is responsible for licensing and controlling the security industry as well as certifying CCTV installation. A security License can be obtained by completing one week of training (40 hours) with written and physical tests. Training will cost you 1625 dirhams and has an Arabic/English language course. The training will cover topics such as Roles and Responsibilities, Conflict Management, Access Control, Law and Evidence, Crime Scene Protection, Emergency Systems and Procedures, Patrolling, Searching techniques, Health and Safety at work, Dealing with Emergencies, Drugs, Customer Care & Communications Skills, Fire Safety Theory, Assisting CID, Tourist & Traffic, SIRA Security law, Security Awareness, First Aid Theory, People of Determination.

Although each set contains 60 questions, you must submit the correct 38 answers to pass the exam. In this session, we will discuss hundreds of solved questions that will help you to practice for the SIRA exam.
